<p>Only one sacrifice is necessary When Jesus Died on the cross and sacrificed Himself for our sins, He was making the perfect offering. This sacrifice, Jesus Himself, will never have to be repeated. Through Jesus' death of atonement we who believe in Him are redeemed once and for all. Lord Jesus, how could I possibly thank You for such a great sacrifice? I accept it with all my heart. Please forgive all my sins and help me to live as your child from now on. Amen.</p>	<p>Wednesday 1 Thank God for Sbongile Msomi our new receptionist in Durban who has settled in well into her job. But for Christians Jesus has removed death's sting. Through his crucifixion He conquered death, and his resurrection brings you the message that you too will one day arise from death into a new life. And if Christ has not been raised, your faith is futile; you are still in your sins. If only for this life we have hope in Christ, we are to be pitied more than all me. (1 Corinthians 15: 17,19)</p>
