Prints on My Heart

Only love

If God so loved us, we also ought to love one another

1 John 4:11

Jesus set an example by giving Himself totally in love, with no thought of receiving anything in return. We, as Christians, are called by God to reflect that love to our spouses, our families and our world. And the more we reflect it, the more we give it away to others, the more we experience it in our own lives.
