Thirza leaves today. Thank God for her enthusiasm, hard work and creativity. Pray for her as she returns home, that she will have time to reflect on all she has learned and that it will assist her as she begins her studies.	Marita Hanscamp arrives today to spend 6 months working with Tennyson House. Pray for her as she adjusts to the cultural differences and builds relationships with the staff she will work with.	Pray for the May'khethele Peer leaders camp that will take place this weekend at Living Waters that it would be a success.	Thank God for the events in May in which YFC could gain greater exposure. Thank you to all the staff who willingly took part in each event.
