Hero Dad

You are my hero, Dad, You're my secure foundation.
When I think of you, I'm filled with love, And fond appreciation.

You make me feel protected; I'm sheltered by your care.
You're always my true friend; When I need you, you're always there.

You have a place of honour, Deep within my heart.
You've been my superhero, Dad, Right from the very start.
