WHAT IS A MOTHER

It takes a **mother's** love to make a house a home- A place to be remembered no matter where we roam. It takes a **mother's** patience to bring a child up right. And her courage and her cheerfulness to make a dark day bright. It takes a mother's thoughtfulness to make a dark day bright. It takes a **mother's** thoughtfulness to mend the heart's deep hurts. And her skill and her endurance to mend little socks and shirts. It takes a **mother's** kindness to forgive us when we err. To sympathize in trouble and to bow her head in prayer. It takes a **mother's** wisdom to recognise our needs. And to give us reassurance by her loving words and deeds.
