How God Created Mother

God took the fragrance of a flower, The majesty of a tree,
 The gentleness of morning dew, The calm of a quiet sea,
 The beauty of a twilight hour, The soul of a starry night.
 The laughter of the rippling brook, The grace of a bird in flight,
 Then God fashioned from these things, A creation like no other,
 And when His masterpiece was through,
 He called it simply...MOTHER.

My Mother's Love

There are times when only my Mother's Love, can understand my tears. Can soothe my disappointments, and calm all my fears. There are times when only my Mother's love, can share the joy I feel. When something I've dreamed about, quiet suddenly is real. There are times when only my Mother's faith, can help me on life's way. And inspire in my confidence, I need from day to day. For my Mother's heart and my Mother's joy, were fashioned by the angels. And sent from God above.

Happy Mother's Day!
