Yfc/kzn prayer calendar ...october2009

To have **friends** I must be a **friend** – I should not only be ready to receive, but I should also be prepared to give. I should not only expect others to love me, but I should make sure that I am the kind of person that others can indeed love.

Johan Heyns

Two are better than one, because they have a good return for their work: If one falls down, his friend can help him up. But pity the man who falls and has no one to help him up.
Ecclesiastes 4:9,10
