Youth for Christ KwaZulu-Natal is a mission and development agency committed to serving and addressing the needs of children and youth in KwaZulu-Natal. Some of the current needs are: homelessness, dysfunctional families, poverty, HIV and AIDS, gender inequality and life-skills. A key aspect of YFC/KZN has been to live, serve and preach Christ to youth in a way that is real, accessible and relevant.

Youth for Christ reaches out to the unpopular, the somewhat unlovable groups like children and youth on the streets, young people in schools and communities that are on the edges of society. As an organisation Youth for Christ has learnt a tremendous amount about what works and what does not work in social work and youth evangelism in South Africa. It is an organisation rich in its learning experience, with much to share with Christian and Non-Christian youth and other like organisations.

to live, serve and preach Christ to youth...

If you would like to sponsor a YFC/KZN project, your money might be used for training and development of staff, resources for programs, running costs, workshops, camps etc. The length of sponsorship and the amount are whatever you would like them to be. However much you would like, and are able to give will help. To give you an idea of how much things cost, and therefore help you decide how much you would like to give, here are some costs:

- R100 - the cost of feeding 15 children in our shelters for 1 day
- R350 - the cost of a teacher training workshop
- R500 - the cost of sending 1 child to L'Abri for a weekend
- R600 - the cost of school fees and school uniform for 1 child
- R700 - the cost of training for a first year intern for the year
- R800 - the cost of a intern or staff member to attend NACCW training for a year
